

4th Annual Summer Dental Symposium!

(Please complete and return by email, sdsdent@thevision.net or fax (209) 522-9448)

Trade Booth

Trade booth tables are 5' wide. Some exhibitors bring a table covering with their logo but we can provide a burgundy tablecloth if you are not bringing your own. Do you need SDS to provide one for you?

- Yes
- No

Setup

Grand Events will start setting up the booths at 3:30pm on Thursday, June 21. If possible, it would be a good idea to set up your booth between 4:00-5:00pm to avoid setting up first thing the morning of the Symposium. Will you be there during that time frame?

- Yes
- No

Schedule

Attendee registration and breakfast is from 7:00am-8:00am after which time the courses will start. Most courses run in two hour blocks and we have scheduled them to end 15 minutes before the hour and start 15 minutes into the hour to give attendees a chance to visit the trade room. There will also be a one-hour lunch 12:00pm-1:00pm.

Exhibitor Visitation Incentives

Each attendee will have an exhibitor card. They must visit the booths and get their card stamped from 10 different exhibitors to earn a raffle opportunity. Also, early in the day I will give selected exhibitors a \$50 bill to put in their pocket. At two different times during lunch a bell will ring and two exhibitors with the \$50 will give it to which ever attendee they are speaking to.

Raffle Will you be able to contribute a raffle prize(s)?

- Yes
- No

Item(s) (if known) _____

Attendance

Confirm number of reps attending: _____
