

Let's work together to help Californians in need.

Join health professionals and community volunteers who will be making a difference at CDA Cares Modesto.

CDA Cares is a two-day clinic that provides dental services at no charge to patients who experience barriers to care. At every event, we work to advance the health, hope and happiness of an average of 1,950 individuals.

We need volunteers like you.

- Dentists, specialists (including oral surgeons), hygienists, assistants, dental lab technicians, physicians, nurses, pharmacists and dental students.
- Community volunteers to guide patients and translate, set up and tear down the clinic, register patients and volunteers, conduct exit interviews, enter data, provide oral health education, food and beverage services, and more.

Services include cleanings, fillings, extractions, stayplates, dentures, anterior root canals, education and resources to find ongoing care.

Dates:	Thursday, Oct. 25	9 a.m.–6 p.m. (set up) 3:30–6 p.m. (prescreening) <i>A limited number of patients will be prescreened to begin treatment Friday at 5:30 a.m. Subject to change based on clinic set-up.</i>
