

Stanislaus Dental Society

General Membership Meeting

Thursday, October 18, 2018

6:00pm-Social / 6:45pm-Dinner & Business meeting
Famiglia Bistro Ristorante

Simple Digital Workflows for Making Dental
Practice Impactful and Fun!

Speaker: Michael Scherer, DMD
(1 CEU)

Michael Scherer, DMD, MS, FACP maintains a practice limited to prosthodontics and implant dentistry in Sonora, California. Dr. Scherer is an internationally recognized expert on dental implants, dentures, and digital technology and has published numerous articles in leading dental journals. Over the last five years, his love of education and awareness of the newest practices and products has allowed him to personally teach and coach thousands of dentists, both nationally and internationally, how to replace teeth with dental implants and how to use dental implants to anchor loose dentures. Dr. Scherer is a Clinical Professor at Loma Linda University, a Clinical Instructor at University of Nevada School of Dental Medicine, and is a board-certified prosthodontist—an accreditation held by less than 1,000 practitioners worldwide.

Please respond if you are coming no later than Tuesday, October 16
