Dr. Cohn graduated from the University of Manitoba in 1991. She then went on to complete a post-graduate internship in Pediatric Dentistry. Her private practice, at Kids Dental, is focused on prevention, the growth and development of a cavity free generation. Dr. Cohn is a partner, and maintains surgical privileges at Western Surgery Centre, a private surgical clinic. In addition to private practice, she is a part time clinical instructor, in Pediatric Dentistry at the College of Dentistry University of Manitoba. She is Past President and very active as board member for her provincial dental association, the Manitoba Dental Association. She is a member of the American Academy of Paediatric Dentistry and has been selected as one of the few members of the AAPD Speakers Bureau. Dr. Cohn is a founding member of the Women's Dental Network in Winnipeg where the mandate is to provide continuing education and networking for women dentists. She has been invited into the Pierre Fauchard Academy in 2012 and has been named "Leader in Continuing Education and Dental Consulting" for multiple years.

Pediatric patients and special health care needs pediatric patients make up a large and important part of our family practices. All of our kids are special, but caring for those kids with special health care needs require additional consideration. Common special needs will be addressed and strategies will be discussed to facilitate and reach treatment objectives. Caring for our kids is easy once we learn to recognize their unique needs. Today, more than ever, we have many materials that allow us to prevent, arrest, and restore. A variety of treatment options and their clinical indications will be presented.

**Course objectives:**

- Recognize common special health care needs.
- Learn strategies to manage patients.
- Study a variety of preventive, caries arresting and restorative materials.

**Register: !!Important!! You must provide contact information in case of unexpected changes!**
