Samuel B. Low, DDS, MS, M.Ed Professor Emeritus, University of Florida, College of Dentistry; Advisor Member of the Pankey Institute. He is past President of the American Academy of Periodontology. He is a current President of the Academy of Laser Dentistry. Dr. Low provides periodontists, dentists and dental hygienists with the tools for successfully managing the periodontal patient. He was selected “Dentist of the Year” by the Florida Dental Association, Distinguished Alumnus by the University of Texas Dental School, and the Gordon Christensen Lecturer Recognition Award. He is a Past President of the Florida Dental Association and past ADA Trustee.

Lynn Atkinson RDH has been a Registered Dental Hygienist for over 30 years, graduating from Cypress College, CA in 1989 with a degree in Dental Hygiene. Lynn has been actively applying the use of dental lasers in hygiene daily. Lynn went on to achieve the Standard Proficiency Certification through the Academy of Laser Dentistry (ALD) in 2013 and the Advanced Proficiency Certification Parts I and II in 2019. Lynn is currently practicing four days a week as Clinical Hygiene Director in Mission Viejo, California and trains doctors, hygienists, and team members on the use of lasers along with strategies to incorporate dental lasers into their protocols. She is a speaker and educator for Biolase.

Periodontitis is a major reason for tooth loss and systemic complications. We create the user-friendly perio approach from patient acceptance scripting to chair side positive action. You will incorporate time tested and new technologies as dental lasers to find and manage periodontal disease using the entire team. Take the frustration out of delivering periodontal care and gain success with patient case acceptance, tooth retention and financial reward.
