Got COVID-19 ?'s

Speakers: Teresa Pichay and Lisa Greer, CDA

Teresa Pichay

CDA Senior Regulatory Compliance Analyst

Teresa specializes in regulatory compliance, including information verification, documentation strategies and referral to legal references. For more than 20 years, she has worked with CDA members in the areas of occupational and environmental safety and health, HIPAA, California Dental Practice Act and other business regulations.

Lisa Greer

Dental Benefits Representative

Lisa specializes in working with dental benefit plans, and she has extensive experience in dental billing, accounts receivable, community marketing, human resources, and practice management. Lisa brings more than 20 years of dental industry experience to CDA, including serving as a regional collections specialist for a dental support organization that supported 70+ California offices.

Outline:

Do you have questions on COVID-19-related issues: respirators and fit-testing, required reporting and documentation, COVID-19 testing, employee leave management, PPP?

Join our virtual GM meeting for this presentation with Teresa and Lisa followed by an opportunity to ask your questions.

And yes, there will be raffle prizes! Of course, you'll need to BYOB!

Please respond if you are attending no later than Tuesday, October 20

Email only: sdsdent@thevision.net

The SDS office will send a Zoom link to those attending on a day closer to the meeting.
